ORDER

This 19th day of January, 2018, it is hereby **ORDERED** that Plaintiff Progme Corporation's Motion to Amend/Correct Complaint, ECF Nos. 38 and 39, is **GRANTED**. Through amendment up to this point, Plaintiff has narrowed the focus of its claims in such a way as to plausibly state a claim for direct patent infringement. One final amendment will be permitted.

/s/ Gerald Austin McHugh
United States District Judge
